

TELEPHONE INTERVIEW SUMMARY

Applicant and its undersigned representative thank the Examiner for the courtesy extended during the telephonic interview on May 2, 2008. During the interview, the claim rejections under 35 U.S.C. §§ 112 and 102 were discussed. The § 102 rejections were discussed with reference to U.S. Patent No. 6,266,416 to Sigbjornsen et al. Applicant's representative proposed amendments to the claims to overcome the § 112 rejection and put forward arguments to overcome the § 102 rejection. The proposed amendments and arguments discussed during the interview are substantially reflected in the Amendment to the Claims and the Remarks sections of this Amendment.
